

NEW YORK STATE BOATING SAFETY CERTIFICATE

Optional Credentialing of your DMV Document

Each person that successfully completed the New York Safe Boating Course since 2000 has received a Boating Safety Certificate, issued by New York State Parks.

You now have the option of noting on your NYS Driver License, Learner Permit, or Non-Driver Photo ID Card, issued by the New York State Department of Motor Vehicles, that you have earned the New York Safe Boating Certificate. For persons required to carry their Safe Boating Certificate when operating a motorboat or personal watercraft, the DMV-issued document satisfies the requirement that the operator has received a safe boating certificate.

If you want to have it noted on your NYS Driver License, Learner Permit, or Non-Driver Photo ID that you earned the NYS Safe Boating Certificate please follow these directions.

1. Check this box: ___ Yes, I would like my valid DMV-issued Driver License, Learner Permit, or Non-Driver Photo ID to note that I have earned a NYS Boating Safety Certificate.

2. Enter your valid NYS Department of Motor Vehicles ID number in the box below. Your DMV ID number is printed on the front of your NYS Driver License, Learner Permit, or Non-Driver Photo ID card.
